

2023 Southwest NH Tour Of Lights Addresses

Hello Everyone,

Thank you for participating in the Southwest NH Tour of Lights. We are excited to have 9 towns joining us, so grab the family and head out for an evening of viewing the lights!

If one goes to the website below, type in the location where you want to start – then randomly enter the addresses for the town(s) you want to visit. This site will take up to 26 addresses for the planning of your route. Before you hit “Route Directions”, there are three choices you need to make; (1) “shortest distance” or “shortest time”, (2) allow MapQuest to re-order the stops on your route (black dot with the teal blue showing means that this option is on) and (3) decide if you want the route to be a round trip route or not. There are other filters for route settings underneath the “Route Directions”.

When you are all set, hit the “Route Directions” and enjoy!!
